Arria NLG and BG Group Sign Heads of Agreement

Arria NLG plc (AIM: NLG), a leader in the development and deployment of Natural Language Generation ("NLG") technologies, announces that BG Group plc has today signed a heads of agreement to research and evaluate the use of Arria's NLG engine and technologies for the real time narration of key asset performance, risk factors and predictive maintenance.

Stuart Rogers, Chairman and Chief Executive of Arria NLG plc, commented: "Arria NLG and BG Group have been in discussions for months regarding the potential use of Arria's NLG technology in a number of BG Group's global operations. The Oil & Gas industry is an early adopter of Arria's NLG technologies, it remains a key industry focus for us, and we look forward to a deepening relationship with BG Group."

Note to Editors:

BG Group plc (LSE: BG.L) is a world leader in natural gas, with a broad portfolio of business interests focused on exploration and production and liquefied natural gas. Active in more than 20 countries on five continents, BG Group combines a deep understanding of gas markets with a proven track record in finding and commercialising reserves.
